COLLAGE ARTIST SHAZAMURAI AKA “B.A.” RELEASES “METAPHYSICAL” WORK AS NFT

Shazamurai aka “B.A.” partners with Red Giant Rights Group to release 10 pieces of art as NFTs.

(July 8, 2021) - Collage artist, Shazamurai aka “B.A.”, will be the latest artist partnering with Red Giant Rights Group to release one-of-a-kind NFTs. Known for his “metaphysical” and “spiritual” art, Shazamurai aka “B.A.” will be releasing 10 digital pieces of his work through Red Giant’s Mintable store every day for 10 days starting today, July 9th, 2021. Access to Shazamurai aka “B.A.’s” NFTs is available [HERE](#).

Each NFT will be available for 3 day auctions with a starting price of \$1,000. His NFTs will feature original collages, including pieces titled, “Psychobilly Heart,” “Synchronistic Visions,” “Lucky Spin Enlightenment,” “Six String Poet Freak,” and “Ubervault Recharge.”

Describing his work as “meta-physical improvisation co-creation,” the Dallas, TX-based artist became inspired by the teachings of eastern philosophy while simultaneously developing his interest for art and creation at the age of 27. Since then, Shazamurai aka “B.A.”, describes his work as a way to dissolve his ego and let his art flow, combining unexpected images to create something beyond himself. Some of Shazamurai aka “B.A.’s” previous works include “Desert Chakra Explosion” and “Psychedelic Dali,” with the artist’s favorite piece titled, “Gonzo Fuel,” a collage based around American Journalist Hunter S. Thompson.
